

NEVA 2017

ST. PETERSBURG, RUSSIA, 19 - 22 SEPTEMBER 2017

EXPOFORUM

NEVA 2017 TECHNICAL COORDINATOR & STAND CONSTRUCTOR EXPOFORUM-DESIGN LTD.

ExpoForum Design Limited has fifteen years experience in exclusive stand building in Russia and abroad. Our company is the general constructor at both the Lenexpo Exhibition Complex and the ExpoForum Convention and Exhibition Centre in St Petersburg, Russia.

FROM CONCEPT TO REALITY

COOPERATION WITH EF-DESIGN GUARANTEES THE FOLLOWING FEATURES & BENEFITS:

- We reduce your costs by managing technical inspection, accreditation & electrical certification whereas 3rd party contractors are subject to additional payments & dues for these services.
- We save your time! Dedicated Project Managers & highly skilled teams design & build your stand.
- Our designers realise a creative exclusive project tailored to your requirements no matter the complexity, in the shortest time.
- Our constructors follow exacting standards to ensure your stand is 100% feasible and safe.
- Our hi-tech stand production facilities are based conveniently in-house at the ExpoForum CEC & specialised in providing turn-key projects.
- We interact with government structures and contacts at all levels.
- We offer a comprehensive range of related exhibition services such as catering, floral decoration & transportation etc. Contact EF-Design with your bespoke NEVA 2017 requirements today!
